Appeal Form (\times , \triangle)

Standard:	Mastery Quiz:	Exercise Version:	New mark:
-----------	---------------	-------------------	-----------

This form should be submitted on the date of the upcoming Mastery Quiz and counts as your submission for the corresponding standard on that Quiz.

Staple the originally marked Mastery Quiz exercise to this form. Below, clearly explain why the error in your solution is unrelated to your understanding of the relevant standard (e.g. explain your notation or arithmetic error). If your explanation is not satisfactory, this form will be marked with \times .

Use the provided space to write a complete revised solution. You do not need to rewrite the question.
