

## **Instructions for logging n to MyLabsPlus USA**

1. Go to <http://usouthal.mylabsplus.com/>
2. The username is your Jag number (J00...), the original password (if you have never used MyLabsPlus before) is PASSWD (all capital letters). If you have used MyLabsPlus for some other course at USA before, then the password is whatever you set at that point in time  
[If you cannot log in, use the forgot password option]
3. Click on your course link.
4. Accept User Agreement (if needed).
